REPORT ON THE NATIONAL EMERGENCY WITH RESPECT TO ZIMBABWE—PM 8

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency blocking the property of persons undermining democratic processes or institutions in Zimbabwe is to continue in effect beyond March 6, 2005. The most recent notice continuing this emergency was published in the *Federal Register* on March 5, 2004 (69 FR 10313).

The crisis constituted by the actions and policies of certain members of the Government of Zimbabwe and other persons to undermine Zimbabwe's democratic processes or institutions has not been resolved. These actions and policies pose a continuing unusual and extraordinary threat to the foreign policy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency blocking the property of persons undermining democratic processes or institutions in Zimbabwe and to maintain in force the sanctions to respond to this threat.

GEORGE W. BUSH.
